Thank you for taking the time to speak with me last week. I enjoyed our conversation, and I'm looking forward to speaking with you again.

We have selected you as a finalist for the data scientist position. You are one of five remaining candidates for this position, all of whom are extremely qualified.

As part of this final round of assessment, you will:

Thank you, and we are excited to have you take part in the final stage of this process.

Best regards,

Sam
